

## Website for VDP solutions Pvt Ltd

07<sup>th</sup> July 2021

### OVERVIEW and Details

**VDP solns is a digital service provider that aims to provide software, designing and marketing solutions to individuals and businesses. At VDP, it is believed that service and quality is the key to success. Founded and Funded by Graphic designers from Jahirathu Junction, VDP solns has now set a new path towards Digital Solutions.**

### Services Provided by VDP Solutions Pvt Ltd:

Development - We develop responsive, functional and super-fast websites.

We keep User Experience in mind while creating websites. A website should load quickly and should be accessible even on a small view-port and slow internet connection

Mobile Application - We offer a wide range of professional Android, iOS & Hybrid app development services for our global clients, from a start up to a large enterprise.

Design - We offer professional Graphic design, Brochure design & Logo design. We are experts in crafting visual content to convey the right message to the

---

customers. We also design custom wraps for your products (also known as package designing)

Consultancy - We are here to provide you with expert advice on your design and development requirement.

Videos - We create a polished professional video that impresses your audience.

Product photo shoot - We create a polished professional photo of the products that impresses your audience.

Social Media Management: We will manage your social media with graphically impressive posts and stories that help you get better leads and increase popularity

`<title>` is mandatory

innovation.creation.

---

<p> tag is mandatory

<form> is mandatory

<quote> is mandatory

<a> is mandatory

### **CSS part-Although design is subjective we recommend using some tags**

<background color>

<margin>

<text styles>

<wrap>

### **Tools you will need:**

For good performance, you will at least need a Pentium 200-MHz computer with a minimum of 64 MB of RAM (128 MB of RAM recommended).

You will also need the following software –

- Linux 7.1 or Windows xp/7/8/10 operating system
- Text editor (VS code recommended)

### **Submission details:**

1. You will be given a time of 13 days to submit the Project report as well as the zip files and the Live github link ie last date is 20/07/2021
2. The link to submit the project will be sent via email as well as in the discord group on or before 17/07/2021
3. For this Particular Project, Individual submission isn't considered as the files will be sent to VDP solns Pvt Ltd for evaluation and Selection, and having multiple submissions on the same project might lead to confusion among them, hence Group leader has to submit the project, and also individual reports of all the teammates along with their contribution.
